

Estate Planning Commitment – Society of Women Engineers

By including SWE in your estate and planned giving, you play a powerful role in ensuring our resources are available for future generations of women engineers. In recognition of your commitment to include SWE in your estate plan, we will honor you as a member in our Ada Pressman Society. Please let us know if you have made this commitment through this confidential form.

Instrument

What type of instrument did you use to include SWE in your estate plan?
Please check all that apply.

Will or trust

Retirement Account

Insurance Policy

Other:

Designation

How do you want your gift to be designated? A member of the SWE staff is available to discuss your designation preferences to ensure your gift is used in accordance with your wishes.

Unrestricted general contribution.

Program (please ensure to include instructions as to how you would like a programmatic gift to be utilized).

Program Name:

Endowed Scholarship (please ensure to complete an endowed scholarship criteria form and submit a copy to SWE and include one copy with your estate plan).

The Ada Pressman Society was created to honor and recognize one of SWE's early members, Ada Pressman. While Ada's role and impact in SWE throughout her life was invaluable, she also made a lasting impact on the future of engineering through establishing several endowed scholarships from a bequest.
