

INTERNATIONAL AFFILIATE APPLICATION

We, the undersigned, hereby request approval of the Society of Women Engineers for recognition as an international affiliate group to be known as the

International Affiliate Group of the Society of Women Engineers at

(City, Province, Area or State Name Here)

INTERNATIONAL AFFILIATE GROUP REQUIREMENTS (Checking off this box is required.)

We agree, if the application is approved, to abide by the current version of the **International Agreement of Appropriate Use** to conduct business in accordance with the core values, goals, objectives and strategic priorities of the **Society of Women Engineers**.

Although applications are accepted all year, all official SWE activities must be aligned and compatible with the Society's fiscal year, July 1 to June 30. All Affiliates must renew each June, regardless of launch date

SWE ADVOCATE/SPONSOR

The Advocate/Sponsor is a requirement for the application. The Advocate/Sponsor can be an association, nonprofit entity, government institution, or corporate partner that is willing to mentor, guide, and administer support to the International Affiliate group. The Advocate/Sponsor should be located in the city, country or region of the International Affiliate. When necessary, the Advocate/Sponsor may be tasked with handling the financials for the group. In the case of a collegiate group, the Advocate/Sponsor may be a SWE professional member. Or if the collegiate group is an official, recognized club on the campus of a university with established administrative protocols, the university may act as the Advocate/Sponsor.

The Advocate/Sponsor is required to provide a letter of support to be attached to this application.
