General Information

The Society of Women Engineers strives to recognize the successes of SWE members who enhance the engineering profession and advocate for women in engineering through contributions to industry, education and the community.

Inside this packet you will find information on the awards offered by the Society for groups of individuals working to further the SWE mission. A 'Nomination Checklist' is included for this award that details the requirements needed to fully complete a nomination package.

The term "SWE group" as used in this packet is defined as any group of Collegiate or Professional SWE members that support the SWE mission. This can include a SWE Section, SWE Affiliate, Members At Large, Affinity group, Corporate Employee Resource Group (ERG), or other group of SWE members.

For information or specific questions, please contact the Awards Chair at awards-chair@swe.org.

How To Complete the Nomination

Nominators, follow these steps to successfully complete a nomination package:

- Collect all items listed in the 'Nomination Checklist' for the award selected.
- Fill out the appropriate 'Application' online. <https://app.smarterselect.com/programs/38504-Society-Of-Women-Engineers>
- Submit the application online by the last working day of June which is the end of the SWE fiscal year. Packages MUST BE RECEIVED by 11:59 PM, Central Time. No exceptions will be made for late packages.**

Important Information:

1. All packages are to be submitted electronically through the application tool. If sent to any other address, they cannot be forwarded for you and will not be considered for this award.
2. Incomplete nomination packages or nomination packages that do not meet the award requirements will be disqualified.
3. All award submissions are subject to be included as "Best Practices" in the future. The goal of the "Best Practices" is to create an avenue for sharing ideas amongst SWE members and strengthening member efforts to meet the goals and objectives of the Society.

Notifications

- Recipients will be announced at the Society of Women Engineers Annual Conference. Visit the society website for conference information.

SWE Mission Awards

Objective

These awards recognize SWE groups that embody SWE core values and demonstrate continuous improvement and growth as they work to achieve the Society's strategic goals.

SWE Core Values

- Integrity
- Inclusive Environment
- Mutual Support
- Professional Excellence
- Trust

SWE Strategic Goals

- SWE will develop women engineers at all stages of their personal and professional lives.
- SWE will be recognized as a global, inclusive organization, promoting diversity and inclusion and serving women engineers wherever they are.
- SWE will advocate for the inclusion and success of women, present and prospective, in engineering and technology.

Eligibility
