

# Invent it. Build it.

## Experience the Creativity of Engineering

The best way to learn about something is to jump in and experience it—which is exactly what **Invent It. Build It.** is all about! **Invent It. Build It.** is a hands-on engineering experience for middle and high school girls with a parallel program for parents and educators. The event takes place each year at WE—the Society of Women Engineers' Annual Conference.

On average 95% of girls who have attended an **Invent it. Build it.** event leave with a **better understanding of engineering**

**Invent it. Build it. LOVE IT!**
