LIFE MEMBERSHIP CONTRACT

I agree to contribute to the Headquarters Fund of the Society of Women Engineers the sum of \$2,000 payable as follows (indicate plan which you prefer):

- Plan A** \$2,000 payable in cash when the contract is signed.
- Plan B** Readily marketable securities with a minimum value of the full life membership contract payable when the contract is signed.
- Plan C** Three-year contract:
\$500 payable in cash at the time the contract is signed;
\$500 payable in cash on each of the three successive contract anniversary dates.

In recognition of this contribution, I understand my dues will be waived in perpetuity. If I select Plan C, I understand I will continue to pay annual dues until the contract is paid in full.

I also understand that this will not change my member grade, and that I may upgrade, when appropriate, in the future.

If, at any time, the scheduled payments on this contract pledge fall sixty (60) days in arrears, I shall be given a reminder and thirty (30) days to bring my payments up to date or this contract pledge will become null and void.

Payments made to the Society hereunder become its property absolutely, and no amounts will be refunded to Successor Assigns or me.
